STOP SOBE!

Anita Davis, Chairperson, 6th Ward, Basia Adamczak, 7th Ward, and Julius Oliver, 1st Ward, are bringing a resolution to the Youngstown City Council for a vote on September 20, 2023. This resolution states that SOBE Thermal Energy's plan to expand from steam heating and cooling to **MELTING CHOPPED UP TIRES TO PRODUCE SYNTHETIC GAS FOR SALE** is too polluting and dangerous to allow next to downtown Youngstown!

PLEASE JOIN YOUR FELLOW CONCERNED CITIZENS at the City Council meeting on September 20 to encourage Council to **VOTE YES** on this important resolution to tell SOBE THERMAL ENERGY that our community does **NOT WANT A TIRE PYROLYSIS PLANT** in our **MIXED USE COMMUNITY ZONE!**
